Dear Co-Chair Manning, Co-Chair, Gomberg and the Members of the Subcommittee on Transportation and Economic Development:

This letter is to let you know that we, a coalition of Indivisible groups across Oregon, support HB 2015, the bill that would guarantee Drivers' Licenses for All. We ask that you help get this bill passed out of committee and into law before the end of the legislative session.

We believe that this bill is essential to the safety of all Oregonians.

Allowing undocumented immigrants the ability to obtain driver's licenses or ID cards in Oregon would make Oregon's roads safer. It would also improve the lives and livelihoods of these immigrants since driving is often required to get and hold jobs, attend school and shop, especially in the state's rural areas.

We ask that you support HB 2015 and get it to the Governor's desk for signature before the end of the legislative session.

Sincerely,

The following members of the Consolidated Indivisible Oregon Network
